*The Biblical scheme of Earth's history and direction... a long-range plan by which God will transform and re-populate the planet Earth...*

*It's a vision of vast scope and mind-boggling predictions...*

*God's developmental  
plan for our planet  
is an astounding  
program of  
transformations ...!*

**1.** A theme of **WARFARE** runs through the many books of the Bible, from Genesis to Revelation.

We there see evidence of angelic warfare, and of historic military warfare between God's chosen people and the ungodly nations.

There are predictions of further warfare between the elect of Christ and the anti-Christian forces, and of a final great battle of Armageddon.

***SPIRITUAL WARFARE*** *devastates this planet until Christ's Kingdom comes !*

**God and Satan are at war, and the besieged planet Earth is their bloody battleground. Legions of angels and demons, in a number that is beyond counting, are also involved in this worldwide warfare.**

***SPIRITUAL WARFARE devastates this planet until Christ's Kingdom comes !***

The Earth is being devastated by the Universal War that the demons have begun, and it is being greatly shaken by a struggle of vast scope and vast significance. The war is between the Children of Light and the Children of Darkness.

The treasure sought by each army is the same. Each side seeks to gain the allegiance of the human population of our Earth.

One side seeks to win the soul of every human being on Earth, while the other side seeks to capture the soul of every human being on Earth.

One side wins souls for Christ, while the other side captures them for Satan.

## 2. A theme of **APOCALYPTIC DESTRUCTION** and **RE-CREATION** runs through the books of the Bible, from Genesis to Revelation.

We see this in the Genesis record of Noah and the Great Flood, and in the predictions of the Old Testament prophets.

Jesus Himself speaks of this in great detail as He is quoted in Mat. 24, Luke 17:24-37, and other places in the gospels. There are many such references in the epistles, and the final book, *John's Revelation of Jesus Christ*, is devoted almost exclusively to this subject.

In the Bible, Jesus says that at the time of His Return (often called the Second Coming of Christ), the conditions on Earth will be terrible and evil— and He says those days will be just like the days of Noah. In Noah's time, the humans on Earth had become so perverted, immoral, and wicked that God destroyed the entire world with a great Flood. Only Noah and his family survived, and they were told by God that they must re-populate the cleansed Earth. A wicked population was first removed from the Earth!

### **3. A theme of the **SURVIVAL OF A REMNANT** who are loyal to God runs through the many books of the Bible, from Genesis to Revelation.**

The Universal War is vastly destructive, but there are survivors. The true winners, in the midst of all this angelic and human warfare, are the Chosen People of God, the ones who are loyal to Him. They are the only real survivors of the earthly battleground.

These few are a minority— they are the loyal ones, the Chosen Remnant of humanity, the blessed ones that God will keep for Himself. They are the ones who have seen God the Father in the face of His Son Jesus Christ, and they have given Him their allegiance.

**4.** Rather than the Darwinian concept of "natural selection" and "survival of the fittest" (*meaning the strongest*) in a scheme of evolution, God's system of development is quite different!

**God's plan is that there will be "DIVINE ELECTION" of all those who have chosen to accept His system of grace and mercy through Jesus Christ, and His plan calls for a "SURVIVAL OF THE LOYAL" instead.**

Jesus is the Light of the World, and the beloved Son of God. . . the Holy One, in Whom the Father God is well-pleased. But the enemies of God are headed only for "the Outer Darkness."

## **5. In this scheme which God Himself has formulated, it is *not* the STRONGEST who survive, but rather the SUBMISSIVE!**

(In this regard, it is certainly true that God can make the weak person become strong. But a person who is too strong and egotistical God may choose to crush, in order that he— or she— will be humbled and will become submissive to the will of God!)

The enemies of God (like Satan, whom the Bible calls the Adversary of God) are destined only for what Jesus calls "the Outer Darkness." That's another name for Hell. It's a place of utter darkness that totally lacks the Light of God, and it lacks even the light-reflecting presence of God's followers! It's a fitting end for the Prince of Darkness, his demons, and all the Soldiers of Darkness.

**6.** God is continuously harvesting the Earth as His ever-progressing plan of **DIVINE SELECTION** goes forward, through a wise and millennia-long program of evaluation—through the interminable *testing* of people all over the globe. . . and a very lengthy developmental process of *SELECTING* and *REJECTING*.

The Enemy of God (Satan) captures souls for Hell, the only kingdom that he can really dominate. In the sin of his pride and arrogance, the angel Lucifer rebelled against God, becoming Satan. The Devil would rather "rule" in Hell than serve in Heaven, as Milton said in his poem called *Paradise Lost*, so maybe he thinks that he can have his own way in Hell. His reasoning is neither healthy nor sane.

Satan is "the Prince of Darkness" and "the ruler of this world," but he is not the king of our Earth. The King of Kings is Jesus Christ alone! Jesus is the rightful ruler of the Earth... the soon-coming King!

**7.** Thus, a theme of ***DIVINE SELECTION*** through a ***LONG-RANGE, millennia-spanning DEVELOPMENTAL PROGRAM*** becomes quite evident.

This is the Biblical scheme of Earth's history and direction. We live on a damaged Earth, in a Fallen World, and it is not the place that God intended for humanity. God's garden has become full of weeds, deaths, diseases, and poisons. His Enemy has done this. Yet God plans to fix the world. He has a salvage plan for the Earth, and He has a salvation plan for humanity. It's all done by Jesus Christ.

God plans to fix the world, to make everything right again. But this will happen only when Christ returns and creates the New Earth for us. It is a blessing that will go only to the loyal followers of God.

God has a goal for humanity, and He has a Plan of Salvation that includes a New Earth for all the believers... for all those who are His loyal servants... the true followers of His Son Jesus Christ.

**8.** This calls for a **MAJOR SHIFT IN THE WORLD-VIEW** that is held by any individual.

It truly requires a **COPERNICAN REVOLUTION IN THE MIND-SET** of a human being.

A world-shaking transformation happens inside a human being when the Light of Jesus Christ first enters his or her mind!

It's as if you've been sitting in a dark room for years, in some prison of Satan's making... a room with no doors or windows. Then suddenly the shutters on the windows are thrown open, and the prison door is swung wide! You suddenly have the Light of Christ inside you and a new-found freedom to see the world as it truly is! You have become a New Creature in Christ!

**9.** You must comprehend with an entirely new way of looking at the Universe— for to be among the redeemed, to be among the survivors who are granted eternal life with God, you must place **JESUS CHRIST AT THE CENTER OF YOUR UNIVERSE**, in the very place where once *YOUR OWN EGO* had ruled supreme!

**You need to put the Sun of Heaven inside your heart!** Once He is there, He will illuminate your mind and all areas of the Universe with the bright Light of His Presence. His Light will be radiant in your face, in your life, and in your actions. Just as Moses' face was radiant after he was in the Presence of God, the follower of Jesus reflects the brilliant Light of the Lord Christ! His Holy Spirit will be inside you forevermore, making you aware of His Lordship and His Truth... giving you eternal access to His Divine Wisdom.

# 10.

You gain an Eternal Life with God when you put the Sun of Heaven in your heart. You can do this by placing Jesus Christ, **Who in the Trinity of God created our Universe**, upon a throne at the center of your heart! *He deserves that position and that kind of respect.* He was first **God The Son**, but when born in human flesh He became the only sinless and righteous person who ever lived. Yet He sacrificed Himself on a cross for your sake, taking all guilt and sins upon Himself— for you and for me, for all people everywhere— **so that whoever wishes for salvation might be rescued from the due punishment of sins.**

**11.** If you will do this, you will gain a new contentment and peace as you accept God's organizational plan for the Universe. . . because you'll be letting God be the Ruler of All Things in this world. . . and in your own life.

The Sun of Heaven will then reign in your life as the supreme Power that governs all things. **The Bible calls Jesus Christ both "the Sun of Heaven" and "the Sun of Righteousness."** When you place Christ in your heart, He will lead you to a new life of righteousness. **His Holy Spirit will start to rebuild you in the image of God, making you more like Jesus. You'll become a brother (or sister) to Jesus Christ!**

**12.** All it really takes is a simple but sincere little prayer— one that you should make up in your own words. The prayer for deliverance and for God's leadership should come from your own heart!

**Some important elements** that you should include are:

- 1) your desire to turn away from the wrongness or evil of your past life, and your remorse over the sins of your previous life,
- 2) your desire for God's forgiveness and mercy through the act of sacrifice of His Only Begotten Son (Jesus Christ),
- 3) your desire to know God's leadership in your life,
- 4) your desire to learn more of God's truth through Bible study,
- 5) your desire to find fellowship with genuine believers.

This Sunday, don't sin by worshiping the sun, like the followers of Baal... like the Greek and Roman polytheists... like many pagans in all nations of the Earth. Don't worship the Earth or the things of Earth. You shouldn't worship nature, as the pantheists and the animists do. The *supernatural* does exist, because God's Spirit is *above* and *behind* the natural world... and *superior* to it. So don't worship the sun and the stars like all the naturalistic science advocates, the humanists, the evolutionists, and many of our modern-day science-fiction fans!

Don't go out to worship the sun and stars this Sunday, nor Earth, nor Man. Instead, go out to a good Bible-believing church and worship the Holy One Who is the Sun of Heaven— Jesus Christ, Who is both the Son of God and God The Son. Honor Him, and you will please His proud Father in Heaven by your actions. You greatly err if you exalt Man (Humanism) or Science (Scientism), or anything else at all.

**Jesus Christ is the Sunrise from Heaven, and He is the Light of the World!**

**Jesus said of the people of God** that "The kingdom of heaven is like a **net** that God has cast into the sea, and it gathers of every kind: When it is full, it will be pulled up on the shore, where they will sit down to sort the catch, and they will **collect the good fish in baskets, but the bad things will be thrown away. This is the way it will be at the end of the world:** The **angels** shall come forth, and they will **separate** the unrighteous persons from among those justified by God . . ."

*Excerpt from the book of Matthew, who was a constant companion of Jesus and his devoted disciple [13:47-50].*

**Jesus spoke of the people of God as being like a seed that is growing secretly**, saying, "As for the kingdom of God, it is as if a person should cast seed into the ground; and then he sleeps, and he rises up night and day to see that the seed is springing forth and always growing up, although he knows not exactly how. The Earth is bringing forth fruit from itself; first the blade, then the ears of corn, and after that the fullness of the ears of corn. And when all the **fruit of the Earth** has come forth, immediately God will use the sickle to reap the fields, because the **harvest-time** has come."

*Excerpt from the book of Mark [4:26-29].*

It's also important for all of us to remember this:

1) **WE SPEAK TO GOD** by our prayers.

2) **GOD SPEAKS TO US** by the words of Holy Scripture.

So we must try to read His words and His Book just as often as we possibly can!!

*God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live— so let Him reward your search with the grace of His forgiveness and enlightenment!*

## **To All The World -- A Letter From The Author Of This Booklet**

Did you know that the Christians of the USA are the all-time champion evangelists of the Earth's history? We've done more for world evangelism, sent out more missionaries, and given more money to worldwide Christian missions than any other nation in history. That's the part of US history of which I am most proud.

Way to go, USA!

Europeans, for the most part, now regard the inhabitants of the US as naïve and foolish. They can't understand how so many people in the US can be "simple-minded" and possess a faith in God. Others despise us and wish to wipe us out; they'd like to eliminate all Christians from the face of the Earth. Yet foreign nations are sometimes surprised by our "miraculous wins" in contests such as the Olympic games, in business success, in technology advances, and in many other areas of life. They ain't seen nothin' yet!

We've been in a slump lately, but the US is still the world's leader in Christian evangelism. Now it's time for us to also start evangelizing the unbelievers right here at home. We can do it if we never quit, never give up, never say die. We never say die because we have the Word of Life, and He wants us to speak it to everyone, so that they may know Eternal Life with God. For centuries we have evangelized the rest of the Earth, but we can also reach the dark parts of the US... and we can share the Light of Jesus with folks who still live in darkness.

We never say die, because Jesus has given us the Word of Life, and we know He has told us that the power of Life and Death is in our mouths. Jesus is the Way, the Truth, the Life-- the only way to Heaven. We know that Jesus is the way to go.

We are the all-time champion news carriers, the best in the world, and we should be proud of it! By passing tracts, we become "God's paperboys," and we thus play a very important role in worldly affairs while we are here on Earth. In His Great Commission, Jesus commanded us to go to all the world with the good news of salvation, teaching people to be baptized and to obey all His commandments. Jesus also told us that the great in His kingdom are those who are the servants of all, so we can accomplish His will on Earth when we pass evangelistic tracts to our fellow humans.

Handing a tract to another human being requires faith and courage. But it can also be a very rewarding experience, because you know that you are reaching out to the lost, and you may be helping some blind person to find salvation, the Sun of Heaven, and a glorious New Day in Jesus Christ! We know that Jesus is the Way, the only way to go!

This tract has been built upon material originally found in the Street Tract **Divine Selection: God's Developmental Program For Earth**, and it is retitled for this edition.

## **“Annette’s Gospel”**

What is this thing called the Gospel?

The Gospel is the death, burial, resurrection, and ascension of Christ Jesus. It is about the redeeming Blood of the Lamb. Who is the Lamb of God?.... Christ Jesus.

It is about knowing Jesus is the difference between life and death. The Gospel is about love!

"For God so loved the world that He gave his Only Begotten Son, that whosoever believeth in Him should not perish, but have everlasting life. For God sent not His Son into the world to condemn the world; but that the world through Him might be saved."  
(John 3:16-17)

That is love; Jesus is love! The gospel is about Mary's baby Jesus. Yes, we must know Jesus was born of a virgin-- Jesus, the Living Word, the Son of God, took on flesh, became human to save humanity.

The Gospel is about coming to the realization that we are sinners and sentenced to death, for we were all born and shaped in iniquity.

It is about knowing and coming clean with oneself by saying I am a sinner and I need Jesus! It is about a need being met, knowing that without Jesus we are the walking dead...

"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." (Romans 6:23)

The Gospel is about the redeeming power of the Blood of the Lamb, in whom "we have redemption through His blood, and the forgiveness of sins, according to the riches of His grace." (Ephesians 1:7)

Jesus redeemed us on Mount Calvary. Jesus died on an old rugged cross, was buried in a borrowed tomb, and on the third day He rose from the dead with all power in His hands!

Jesus.

The Gospel is about Jesus-- how He gave sight to the blind, healed the sick, and raised the dead!

It is about one touch of His garment, with faith, and a woman being made whole.

The Gospel is about healing-- "By His stripes you are healed" (Isaiah 53:5)-- healed of your sickness, broken heart, sadness, anger, depression, bitterness, exhaustion, and unforgiveness towards your fellow man! Healed in mind, body, and soul.

It is about how He came not to be served, but to serve.

The Gospel is about the gift of salvation-- "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved... for with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." (Romans 10:9-10)

The Gospel is about a Blood bath, about forgiveness and cleansing power in the holy name of Jesus. "If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." (I John 1:9)

The Gospel is about hope, about a holy promise that God made to our forefathers-- one that was fulfilled, is fulfilled, and will be fulfilled by Jesus the Christ. He came to Earth to rescue us, to begin a good work in us, and in His return to Earth-- at the end of its "Last Days" -- the Lord Jesus will finish the job that He started long ago!

The Gospel is about the Triune God, the "Trinity": God The Father, God The Son, .

and God The Holy Ghost (Who will guide us into all truths) ...

It's how, when Jesus ascended to the right hand of the Father, He didn't leave us comfortless. "But the Comforter, Which is the Holy Ghost, Whom the Father will send in My name-- He shall teach you all things and bring all things to your remembrance, whatsoever I have said unto you." (John 14:26)

The Gospel is knowing that calling on the very name of Jesus can get us mercy and grace from God.

Jesus gives us access to God The Father. We can come boldly to the throne of grace because of the price Jesus paid, a price Man could never pay.

The Gospel is knowing, without a shadow of doubt, that Jesus is the Savior, and accepting the fruit of the Spirit -- Love, a Peace that passes all understanding, Joy, an unspeakable joy, Hope, Faith, Gentleness, Goodness, Self Control, Humility, and Longsuffering. (Galatians 5:22-23)

I would not be telling you the true Gospel if I did not inform you that accepting Christ as your Lord and Savior will not end your trials and tribulation. But Jesus gives you assurance that you have the victory! You see, the thief (Satan) comes only to steal, to kill, and to destroy; but Jesus says, "I am come that they might have Life, and that they might have it more abundantly; I am the Good Shepherd; the Good Shepherd giveth His life for the sheep..." (John 10:10-11)

The Gospel is about Jesus, the Speaker of Parables, Who made known truth not previously revealed to humanity. Jesus, the Light of the World. Jesus, the Alpha and Omega-- the Beginning and the End. Jesus, the Lion of Judah. Jesus, the Way, the Truth, and the Life. Jesus-- Lord of Lords, and King of Kings.

Jesus, my sweet Jesus. Jesus, the Living Water-- once you drink of Him, you will thirst no more. Jesus, the Bread of Life-- you will hunger no more. Jesus, a friend to the friendless. Jesus, the Defender of the weak-- for when you are weak, He is strong. Jesus, our redeemer, Jesus the Savior, the Christ. Jesus!

The Gospel is knowing God cares about you and me, and knowing that God Almighty has sent us a solution to all the world's problems! The answer is our Lord and Savior Jesus Christ.

The piece above, here called "Annette's Gospel," was written and inspired, in the guidance of the Holy Spirit and through the love of Christ Jesus, by **Annette Chesson** on 7-8-02. The original title was simply "The Gospel."

Annette Chesson is a Christian American, and she's trying to get the message out to the public by distributing tracts to all the people she can. My name is Ken Street, and I'm also a Christian American. As Jesus commanded, we're trying to go to all the world with the gospel. We were fortunate to be born in the US, and we were even more fortunate when we were later reborn as New Creatures in Christ. It happened long ago, in the grace of God The Father, by the power of His Holy Spirit, with a faith in His Son Jesus Christ. Through a faith in God and the sacrifice of His Son Jesus, we have been spiritually "born again." This means that we have received God's mercy and are blessed with His favor, and it means that we're also going to be reborn some day as citizens of the soon-coming Kingdom of God. It means that we will some day be allowed the privilege of seeing His Heavenly City, the New Jerusalem, and the wonderful paradise of His New Earth. I hope you'll join us there.
