NATURAL SELECTION . . . or DIVINE DIRECTION ??

Booklet # 4 of 14 for

God's Giant Garden And How He Repairs It

"Can Doctors Make Miracles?"

*This is a story about how Jesus fixes a Broken World, and how God is like a farmer who wants to get a good harvest from Earth.
It's some Good News for Sick Children!*

written by Ken Street and his Secret Friend

Version 1b, May 4, 2006. Copyright 2006 by Roddy Kenneth Street, Jr.

Wow, what a super God we have! Jesus is the great Super-Hero of Earth's history, and He is the Glorious One, the Holy One Who will even save all the innocent people of Earth from the sudden Destruction that the Devil wants to bring upon our planet! Jesus rescues people in amazing numbers, and sometimes very fast, but He also has a lot of super-helpers who are busy working for Him.

We might like to say that Jesus is a super-natural super-hero. He is the Holy One Who comes down to us from the sky. Jesus flies around faster than the eye can see, and He can rescue a whole lot of people at extremely high speeds!

That's because Jesus has God's powers and abilities that are far beyond those of any mortal man.

I guess you've figured out by now that Jesus is my lifelong hero, and He's a life-saving hero. He's a Rescuer, and He's the big hero of my life. I hope to be more like Him some day, since I'm still growing.

Jesus is the King of my heart, and that makes me feel a little better when things are not going so well for me. I just try to remember that Jesus is the Great King of

our Universe, and some day I will get to be in His New Garden with Him.

I've been a poor man for a long time now. But I don't worry about that so much, because Jesus says in the Bible that some day He is going to take all of His children who were poor on Earth and make them rich in Heaven. There are a lot of neat presents waiting for me there.

Jesus isn't the only Big Hero in our world, though. Because it's such a Big Messy Garden on Earth right now, Jesus needs a lot of helpers. He needs a lot of junior super-heros to help Him fix all the problems in this Broken World of ours.

Often Jesus uses heroic doctors and nurses to help sick children, so that they don't have to hurt so much, and so they

get healed more quickly. Jesus is the great Super-Hero of our Earth, but all the doctors and nurses of our world are like little partner-heros who work with Jesus. They can give Jesus real help some times when kids are hurting really bad.

Doctors and nurses can be a very big blessing sometimes for a little child who's really tired of hurting all the time! We

should all love them for that, and be really grateful for all of their help.

Jesus really loves all the doctors and nurses in the world, and I surely hope they all remember to love Him back.

They can't actually work miracles all by themselves, but doctors can be some of God's best helpers, and they often help

God to work His miracles for sick children all over the world.

They work really hard to try to help all the sick kids in the world, and God loves them for all the hard work they do for Him.

They can't work miracles without God's help, though, and Jesus is still the greatest miracle-worker of all time. Jesus is the Great Superhero of human history,

and He is also the Great Healer of the human race.

But I think doctors and nurses are super-heros too. They are like junior-grade super-heros, or super-heros who are still in a training program. They try to rescue as many kids as they can, but they can only do so much before they get exhausted and frustrated. Then they may

start to realize that they are only Assistants to Jesus Christ, who is also known as the Great Physician of human history.

Doctors and nurses do wonderful work for God and for sick kids everywhere, so let's always remember to tell them how much we appreciate their work. Remember to say how much you

appreciate what they do for you, and that you are grateful for all their efforts to help you. They need to feel appreciated too—just like you do!

Well, you may be wishing that I could tell you now that you've reached the end of this story. But guess what? This is...

NOT THE END!

ABOUT OUR OTHER LITTLE BOOKLETS

If you liked this story booklet, you might also like to have your mom or dad or grandparent, or any other friend who cares a lot about you, read for you the stories from some of my other little booklets.

On our web sites I have three or four series of these little booklets that older children, in particular, might like. There is one series of stories that are partly about the Native American Indians, for example, and another that is partly about the tribesmen of Africa. There is one series of little booklets that is partly about my own youthful travels in South Asia, a time when I spent several months visiting Nepal, India, and Sri Lanka.

There's also a series of little booklets called "Godly Warfare" or "Higher Battles" or "The Highest Service," which is all about Christian soldiers and how they can fight against the forces of Darkness. Those are mostly for teenagers and older folks, but I hope they can bless a lot of little children too, as they go through life, and as they keep on growing up.

All of my little booklets are partly about other stuff, but they are all mostly about Jesus and my Secret Friend.

NOT THE END NOTES!

These little booklets were all written for you by Ken Street, a Christian believer of the great Lord Jesus, and by his Secret Friend. I'm a baptized follower of the Way of Jesus, and my Secret Friend was even there at the baptism of Jesus Christ!

Jesus said, "Let the little children come to Me, and don't try to stop them, because the Kingdom of Heaven is made of such as they."

– Taken from the book of Matthew [19:14], written by a devoted follower of Jesus who was an eyewitness to the resurrection of Jesus.. After

the torture of the cross, Jesus came back to life again! Matthew then saw Jesus many more times in His glorified new Resurrection Body, along with crowds of up to 500 people. This continued for a period of 40 days after the Resurrection, as Jesus often returned to visit with them !

Jesus said, "If anyone is tired and weary, struggling with heavy burdens on his back, let him come to Me, and I will give him rest."

– Taken from the book of Matthew [11:28].

Jesus said to grown-ups, "Truly I tell you, unless you are converted and become like little children, you cannot see the Kingdom of Heaven."

– Taken from the book of Matthew [18:3].

That means your parents and other adults need to have childlike innocence and trusting hearts, so that they can see Heaven and someday live there with God for all of their eternal lifetimes. So please

remember to pray for all of the adults around you, because sometimes the worries and troubles of this world make them forget to trust in Jesus.

The Bible says that the whole Universe was made through God The Son, but that God's Enemy—the Devil—messed it all up. It was a perfect world at first, and Jesus wants it to be that way again.

That's why Jesus came to Earth as the Son of God and sometimes called Himself "the Son of Man." He was willing to lay down His life for His friends, just so He could start to get everything fixed for us.

Jesus is still busy, even now, working hard to get everything fixed and completely right again. It all gets fixed completely on some day that is still ahead

of us, when Jesus comes back down to Earth again.

That happens in the future, when Jesus comes down from the sky and takes total control of the Earth. Then the whole world gets a lot happier and a lot brighter, because then He becomes the Divine King of all the Earth!

It's important for all of us to remember, as we pray and seek God's will, these simple facts:

- 1) **WE SPEAK TO GOD** by our prayers.
- 2) **GOD SPEAKS TO US** by the words of Holy Scripture.
- 3) **TO HEAR GOD SPEAK TO US**, we must listen to His words and read His Book just as often as we possibly can !

God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live— so let Him reward your struggle with the grace of His peace and the strength you need to keep going !
